

Daily Geography - Week 21

Monday

1. How many countries make up the region of Central America?
2. Central America forms an isthmus between the southern part of North America and South America. Looking at page H22 in your textbook (the beginning), what is an isthmus?

Tuesday

1. Name the five labeled gulfs that border Central America.
2. Which two countries border Central America?

Wednesday

1. Which country in Central America does not border the Pacific Ocean?
2. Which countries in Central America have their capital cities named after them?

Thursday

1. Which country in Central America does not border the Caribbean Sea?
2. Which narrow country in Central America curves from the west to the east?

Friday

1. The Caribbean Sea flows into which ocean (use the inset map for clues)?

a) Pacific

- b) Arctic
- c) Indian
- d) Atlantic

2. **True or False:** The national capital of Panama is Panama City.
