

## Daily Geography - Week 1

### Monday

1. Name the five elements that are shown on the map.
2. What does the title tell you about the map?

### Tuesday

1. How many states are part of the contiguous United States? Which states are not contiguous?
2. Name the cardinal and intermediate directions shown on the compass rose.

### Wednesday

1. What is another name for a legend? What kinds of things are shown on a legend?
2. Name the two countries that border the United States. Which elements help to identify them?

### Thursday

1. Why is the inset map of North America included?
2. Use the scale to find the approximate distance from Denver to Lincoln (use your pencil as your measuring tool).
