

Daily Geography - Week 2

Monday

1. Which imaginary line divides the Earth into south and north latitudes? What is its location?
2. Which imaginary line divides the Earth into east and west longitudes? What is its location?

Tuesday

1. What is another name for lines of latitude? Do these lines run in a north-south or east-west direction?
2. What is another name for meridians? Do these lines run in a north-south or east-west direction?

Wednesday

1. Write this line of latitude in words - 15 N. Name a continent on this parallel.

2. Write this line of longitude in words - 15 E. Name a continent on this meridian.

Thursday

1. Lines of latitude are also called parallels. Why?

2. Lines of longitude are not parallel to each other. Explain why.
